

PROPOSAL BY THE BOARD OF DIRECTORS TO AUTHORIZE THE BOARD OF DIRECTORS TO DECIDE ON DIRECTED SHARE ISSUE WITHOUT PAYMENT

The Board of Directors proposes to the General Meeting that the Board of Directors be authorized to decide on a directed share issue without payment needed for the implementation of the Share Savings Plan that the Annual General Meeting 2012 decided to launch.

The Board of Directors proposes that the General Meeting authorize the Board to decide on the issue of new shares or on the transfer of own shares held by the Company to such participants of the Plan who, according to the terms and conditions of the Plan, are entitled to receive free shares, as well as to decide on the share issue without payment also to the Company itself. The Board of Directors proposes that the proposed authorization includes a right in this Plan to transfer own shares held by the Company, the use of which has earlier been limited to other purposes than incentive plans. The number of new shares to be issued or own shares held by the Company to be transferred may be a maximum total of 500,000 shares, which corresponds to 0.8 per cent of all of the Company's shares.

The Board of Directors considers that there is an especially weighty financial reason for the directed share issue without payment, both for the Company and in regard to the interests of all shareholders, since the Plan is intended to form part of the incentive and commitment program for the Group personnel.

The Board of Directors is entitled to decide on other matters concerning the share issue. The authorization concerning the share issue is valid until 21 March 2018. This authorization is addition to the authorizations in items 16 and 17 above. This authorization replaces the authorization for the Share Savings Plan given by the Annual General Meeting 2012.
